**Job Pack:
Technical Manager**

“The team at the theatre are organised, professional, and very welcoming. We felt at home.”

“I can't imagine our community without Theatre Royal Winchester, the extraordinary Hat Fair or Playmakers.”

Hello and welcome

We are delighted you are interested in coming to work with us at Play to the Crowd.

We are a fantastic arts and education charity based in Winchester, Hampshire, with a friendly, committed core team of about 25 people with a further 25 or so in the broader casual team as well as many volunteers.

People say they love working with us because they feel part of a family and everyone pulls together in a supportive environment to make wonderful, memorable experiences for our audiences and participants.

For the first time in 22 years this opportunity is being advertised, following the retirement of our long standing Technical Manager recently.

This represents a rare chance to manage the backstage operations of a lovely, intimate proscenium arch, heritage receiving house, with counterweight flying facilities and a first class reputation for the quality of its technical provision and welcome to incoming companies.

About this role

This is a full-time, permanent position (36 hours per week) with a salary of £33,077 - £35,620 (with opportunities for overtime).

The Technical Manager will provide inspiring leadership for a small resident technical team, based at Theatre Royal Winchester, providing excellent technical support for all the organisation's events, both in the theatre and beyond.

The Technical Manager will ensure the smooth and safe operation of the organisation's technical service to visiting companies. The role will administrate all the technical logistics for Play to the Crowd's programme and be a competent and experienced technician across LX, sound, AV and stage.

About you

You will be passionate about your work and will always strive for the highest standards. You will be enthusiastic and dedicated. You will be personable and proactive and keen to provide a first class welcome and service to all our visiting companies and artists. You will want to support and develop your team to become better technicians and you will have the all-round technical ability and experience to act as a role model for the team.

What you will do

Management and Administration

- Line manage the technical team including permanent salaried Technicians and casually employed staff, ensuring rotas and time sheets are maintained accurately.
- Take responsibility for the appropriate recruitment and training of the technical team.
- Take responsibility for ensuring the health and safety of back stage and on stage areas and activity.
- Ensure timely communications with visiting companies take place to enable seamless delivery of the events with the highest possible production values.
- Ensure riders and risk assessments are collated and disseminated as appropriate and in good time.
- Communicate with the wider Play to the Crowd team and actively participate in organisational management including that relating to health and safety, business plan implementation and operations.
- Maintain oversight of the budget and manage costs accordingly and as efficiently as possible. Ensure contras and recharges are administrated accurately and fully to maximise the revenue for the organisation.
- Ensure the website and venue technical specification document are kept up to date in terms of technical and associated information for visiting companies

Technical Operations

- Programme and operate lighting, sound and AV equipment.
- Ensure the safe flying and operation of the counterweight system and the safety curtain.
- Lead stage management functions as necessary for events at the theatre and for other venues or projects.
- Lead and facilitate the smooth running of pre-rigs, load-ins, fit ups, get outs and shows, in line with health and safety legislation and the requirements of the visiting company and ensure adequate expertise is available to lead these activities when you are not on duty.

“Play to the Crowd offers glorious theatrical opportunities and experiences that enrich us all.”

What you will do

Technical Operations cont.

- Lead the provision of technical services for Hat Fair Outdoor Arts Festival and other events staged off site.
- Ensure the necessary stock of consumables and equipment is maintained, hiring in if necessary, and that stage and back stage areas remain clean, tidy and organised at all times.

Maintenance, Health and Safety and Best Practice

- Ensure that the electrical installation within the venue is safe and that faults are dealt with promptly.
- Service, maintain and install electrical materials/equipment in line with Institute of Electrical Engineers Regulations.
- Manage, create and regularly review the organisation's technical risk assessments including assessing those from visiting companies.
- Liaise with outside contractors where appropriate, ensuring that all work is carried out to the highest possible standards and in line with Health & Safety requirements and legislation.
- Implement and comply with the organisation's Health & Safety Policy, maintaining the safest possible environment for your colleagues, visiting companies and customers.
- Ensure that only qualified, trained and experienced personnel are allowed to operate electrical equipment or flying equipment within the venue and that they adhere to the organisation's Health & Safety Policy and current legislation.
- Ensure that the required regular inspections of electrical and other equipment within the venue takes place in a timely fashion and carry out PAT testing in line with health and safety legislative requirements.

What you will do

General

- Champion the organisation's values and act as an advocate for the organisation with the public, visiting companies and key stakeholders.
- Ensure the very best proactive welcome is offered to all who engage with the organisation and that people feel excellently supported while working with the organisation.
- Adhere to organisational policies and procedures and carry out all tasks to the highest standards in accordance with best practice.
- Actively support the organisation's action plans in respect of inclusion and equality.
- Participate in training and other forms of staff and team development.
- Act as a key holder for the organisation.
- Undertake such other tasks as are agreed with the Management of Play to the Crowd.
